Going Above and Beyond

April 2015: Amber Ulanowski, District 17— Louisville Probation and Parole

Officer Amber Ulanowski began her career with the Division of Probation and Parole in 2011. Officer Ulanowski's willingness and dedication in assisting offenders and co-workers in a quick and timely manner has made her a very important part of the District 17 team. Even though she has been with Probation and Parole for only three short years, Amber has become a leader in the office and very willing to take on new re – entry efforts for the district. Her leadership was seen when she successfully mentored new officers in the district. An example of her re – entry efforts can be found in the fact that she was one of the officers who piloted the first Thinking For a Change (T4C) class in Jefferson County. She has consistently given 110% not only to ensure offenders obeyed their conditions of supervision, but also to assist offenders to succeed during their supervision.

Spotlight on Reentry Staff

Going Above and Beyond April 2015: Tom Morrison,
Kentucky Correctional Institution for Women (KCIW)

Tom Morrison retired from the U.S. Army in December of 2000, after serving 22 years as a Military Policeman. Tom then worked for the U.S. Postal service for 5 ½ years before he was hired as a Classification and Treatment Officer at the Kentucky Correctional Institution for Women (KCIW) on May 16th, 2006. Tom worked as a caseworker until April 2010 at which time he was selected and promoted to Reentry Coordinator for KCIW. Tom is one of the original six Reentry Coordinators, created and funded by the “2nd Chance Act”.

As Reentry Coordinator, Tom was instrumental in the development of the New Direction Program, a program offered to inmates who are 12 to 18 months from potential release from prison. Tom now teaches that program to inmates at KCIW. The program addresses and offers remedies for the many barriers offenders will face as they reenter society.

Tom also performs a myriad of other tasks as a Reentry Coordinator, all related to assisting offenders prepare for their reentry into the community. He assists inmates in finding suitable housing upon release, whether that is with the offender’s family, to a Transition or Half-Way House, of a Recovery Kentucky Center for Substance Abuse Treatment. For those offenders being released on Parole or Mandatory Reentry Supervision (MRS) to another State, Tom submits the Interstate Compact Transfer request to the receiving State. He assists those needing to obtain Birth Certificates and Social Security Cards which are held in Records and given to the inmate when they are released. Tom prepares and submits SSI or SSDI applications on the Social Security Web site for those that have serious medical or mental health issues; submits Parole Discharge Plans for all inmates eligible for release on Parole, MRS, Sex Offender Conditional Discharge (SOCOD), Post Incarceration Supervision or the Home Incarceration Program (HIP); maintains a list of inmates who have HIV and coordinates treatment for them at a clinic in the area to which they are released; and connects Veterans with a VA representative who comes to KCIW to meet with the Veterans and discusses any benefits they may have earned for their Military Service.

Tom is also responsible for teaching a monthly Pre-Release Class which includes a 1.5 hour presentation on Shaken Baby Syndrome required to be presented to all offenders prior to their release. He is responsible for managing Monthly Parole Board hearings for those inmates seeing the Parole Board face to face, as well as weekly Parole/SOCOD Violation Hearings. Tom completes the appropriate paperwork for inmates who are being released on HIP, MRS, Parole, SOCOD, Post Incarceration Supervision and HIP.

Tom attends all scheduled Reentry Meetings with the Reentry Branch Manager and Program Administrators and also volunteers to attend evening Family Engagement Sessions where ever needed in the Commonwealth.

Finally, Tom enjoys his duties greatly as he helps the offenders embrace their “2nd Chance” and he is known by the inmates and KCIW Staff, as one who treats them kindly with dignity and respect while always being fair, firm and consistent.

Brighton Recovery Center

“Women are encouraged to have safe, healthy and positive attitudes that values sobriety, ongoing recovery leading to successful lives.”

543 women served in Fiscal Year 2013-2014

Programs

- Brighton Recovery Center for Women
- Center Table, *Catering with a Purpose*
- Women’s Jail Intervention Program

About 12 million Americans are caught in the grips of addiction each year. Women are the fastest growing segment of people with substance use disorder in the United States and often become addicted faster, have a harder time stopping and are often the last to seek help.

For more information, contact Anita Prater, Brighton Recovery Center Director at (859) 491-8303 ext. 5482 or aprater@brightoncenter.com

All impact statements are for Fiscal Year 2014 (7/1/2013 through 6/30/2014)

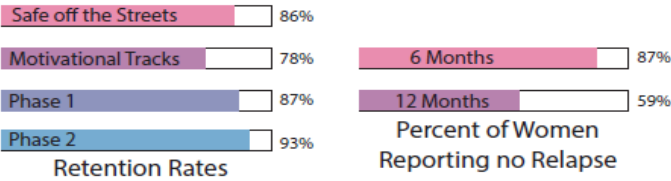

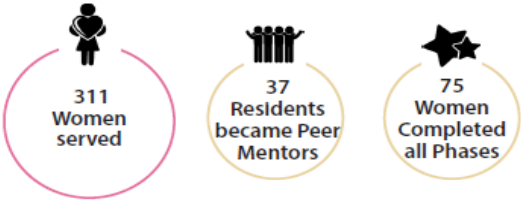

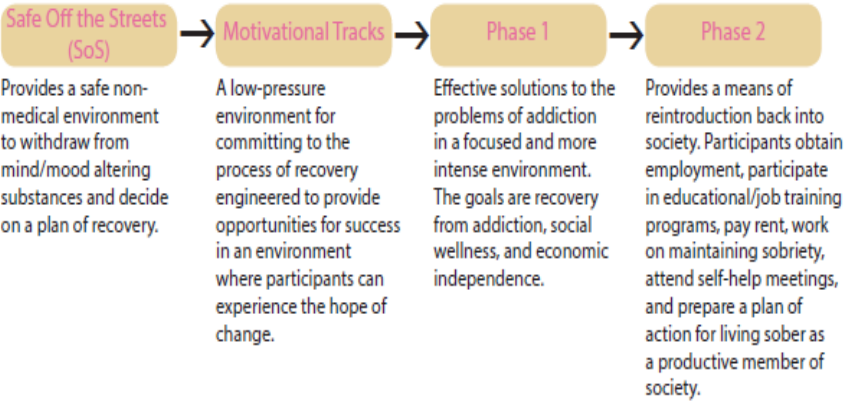

OUR MISSION:
To create opportunities for individuals and families to reach self-sufficiency through support services, education, employment and leadership.

BRIGHTON RECOVERY CENTER FOR WOMEN

A long-term, holistic approach to recovery that is comprised of four distinct modules of progression and ultimately connected to an array of Brighton Center services. The 100-bed facility is located in Boone County and utilizes Recovery Dynamics. The focus is to help women change their behavior, skills and attitudes related to their addictive lifestyle.

WOMEN’S JAIL INTERVENTION PROGRAM

A program within the Kenton County Detention Center - KCDC that provides eligible inmates with substance abuse education so they are better prepared for success in treatment, recovery or intensive outpatient programs. Completion of the program provides an opportunity to apply for shorter sentences and/or shock probation.

CENTER TABLE, Catering with a Purpose

CENTER TABLE is a catering social enterprise that uses fresh, house-grown, seasonal ingredients to create delicious food for all occasions from backyard barbecues to business lunches and elegant celebrations. Profits from CENTER TABLE support recovery efforts and culinary arts training programs for women with addiction. When you hire CENTER TABLE, you delight your guests with exceptional food and service while helping to transform lives.

The Culinary Training component of Center Table is an educational training program that has both life skills and food service curriculum available to Phase I & II residents in order to gain work in the food service industry after completion. Participants gain a full understanding of the food service industry through hands-on-training that includes food preparation and classroom participation totaling 34 hours a week for 6-10 weeks.

Congratulations 24/7 Dads !!!

On November 10, 2014 Officer Adam Wofford and Officer Andria Vansickle, in cooperation with Kenton Corrections Inc., Paducah Community Center Halfway House Director Joe Steward started a 24/7 Dads class with 12 fathers, and grandfathers.

During the three months of classes, we hit a few bumps and snag as the fathers were challenged with weekly assignments, and classroom work. At the end of the class, 8 out of the 12 fathers/grandfathers stepped it up, and achieved what a few of them thought would be impossible. As facilitators we saw several of the men become better speakers, writers and build self confidence.

On Saturday, February 7, 2015 Officer Wofford and Vansickle met with several of the clients and their families who spoke very highly of the program, and being able to see their loved one's succeed and complete the program.

On Monday, February 9, 2015 8 fathers successfully completed the program and graduated. The evening would not have been possible without the support of the Paducah Community Center halfway house staff and the use of their facility. During the graduation, guest speaker Brother Stan from the McCracken County Detention Center spoke about what it meant to be a father to a child, along with Mr. Phelps who emphasized that no matter the background you come from, you can be a loving, and caring father and overcome the obstacles that are placed before you. The night ended with everyone sharing in cupcakes and appetizers obtained by Officer Vansickle.

Mission Behind Bars and Beyond 2nd Annual Reaching Individuals Behind and Beyond the Bars Conference

On Saturday, March 14th, 2015 Mission Behind Bars and Beyond held their 2nd annual conference that had about sixty (60) people in attendance at it's faith-based conference in Louisville, Kentucky. The conference provided information on the ministry and offender reentry in Kentucky and were partnered with the Greater Louisville Reentry Coalition, National Benevolent Association (Disciples of Christ), Catholic Charities, Kentucky Council on Crime and Delinquency, Kentucky Department of Corrections and your *faith* community.

A few of the topics that were discussed in the one day conference was: Jail Ministry: by Phil Hettich and Mike Layman, Deacons, Jail Ministry for Louisville Metro Detention Center; Prison Ministry: by Reverend Aaron Mobley, M.A.R., M. Div., Chaplain, Ky. Dept. of Corrections, Northpoint Training Center; Mentoring Programs: by Reverend Dean Bucalos and Mark Johnson; Mission Behind and Beyond Bars; Collaborating with Families of the Incarcerated: by Melissa Hutchins, Training and Quality Assurance Coordinator, Big Brothers Big Sisters of Kentuckiana; and Grant Writing: by Brigid Adams, Program Director, Beacon Health Strategies.

Everyone is affected by Reentry of Offenders, this type of conference assists in providing information on how with the communities involve-ment, we can achieve offender success, and reduce our recidivism rates of offenders returning back to jail or an institution. Offenderreintegration back into society is important, and having community support and resources is key in making them productive members after incarceration.

Attention Community Providers

OASIS is happy to announce a new facet of our Drug and Alcohol Treatment Program, which began on October 1, 2014. We have created a new area of services called, "Pregnant Women and Substance Abuse Treatment." This program will address addiction issues as they relate specifically pregnant women. This is a six-week, in house drug and alcohol treatment program that will include individual and group counseling sessions along with case management services.

If you have a client or patient who is pregnant, homeless, and has substance abuse issues, please feel free to refer her to this new, innovative program. OASIS is committed to provide quality, empathetic care to women who have experienced the impact of addiction, homelessness, and domestic violence.

For more information regarding our program please feel free to contact Admissions—Counselor Kim Montgomery at 270-685-0260.

Below you will find the Reentry Councils of Kentucky and their contact information.

KENTUCKY RE-ENTRY COUNCILS

Kentucky Reentry is made up of reentry task forces or councils throughout the state of Kentucky. The reentry groups do not provide services for ex-offenders, nor do they have reentry programs. They are made up of individuals and organizations networking together to share information and improve the reentry process. The members may be organizations and/or individuals that provide services and/or have interests in helping. Each group is focused toward ex-offenders coming back to their areas, the issues involved, and making their community safer.

The basic purposes of each group are:

- To address the current issues ex-offenders face
- To develop a network of resources and service providers within their area
- To communicate and advocate ex-offender issues to the community and their leaders
